Purpose Statement
Together we are empowering all students to pursue their passion and succeed in a changing world (#pursueyourpassion).

Commitment Statements
• Building Hi-Liner pride and a positive school culture.
• Providing a safe, respectful, and accepting learning environment.
• Modeling responsibility, accountability, empathy, and resiliency.
• Promoting home, school, and community partnerships.
• Developing lifelong learners who can communicate, collaborate, and think creatively and critically.
• Graduating choice ready students who will have an opportunity in college, workforce, or the military.

Our Why
✓ Technology must be a foundation for students to succeed in a changing world.
✓ Providing equal access to technology will empower students to pursue their passion, develop lifelong learning skills, and hone their communication, collaboration, and creative and critical thinking.
